SUPPLEMENTAL DIRECT TESTIMONY OF KENNETH E. BAKER
ON BEHALF OF
WAL-MART STORES EAST, LP AND SAM'S EAST, INC.

Dated: June 2014

1 **Q. Please state your name and business address.**

2 A. My name is Kenneth E. Baker. My business address is 2001 SE 10th Street, Bentonville,
3 AR 72716-0550.
4

5 **Q. By whom are you employed and what is your position?**

6 A. I am employed by Wal-Mart Stores, Inc. as Senior Manager of Sustainable Regulation.
7

8 **Q. Have you previously submitted testimony in this proceeding?**

9 A. Yes, I submitted Direct Testimony on April 14, 2014.
10

11 **Q. What is the purpose of your Supplemental Testimony?**

12 A. After the filing of my Direct Testimony, I learned that we have a number of accounts on the
13 Louisville Gas and Electric Company and Kentucky Utilities Company (together, the
14 "Companies") system participating in a demand response program offered by the
15 Companies. I believe it appropriate to clarify in the record that Walmart does have some
16 accounts currently participating in certain of the Companies' demand-side management
17 ("DSM") programs.
18

19 **Q. Does such participation change the nature of your principal recommendation as
20 reflected in your Direct Testimony?**

21 A. No, it does not. It is Walmart's recommendation that the Commission approve an opt-out
22 based upon the criteria listed in my Direct Testimony. Even if certain customers qualify
23 for the opt-out, they should not be required to use it. Approval of the opt-out criteria

1 simply gives the customer the choice to do what is best for their business operations. For
2 those accounts that cease participating in utility sponsored DSM or energy efficiency in
3 the future, and meet the criteria discussed in my Direct Testimony, the opt-out should be
4 an option available to those customers.

5
6 **Q. Does this conclude your Supplemental Testimony?**

7 A. Yes.
